

TLI40321

Certificate IV in Supply Chain Operations

Course Overview

A qualification for those working in the Logistics Industry in a variety of operational roles.

Successful completion will require the performance of a broad range of skilled applications including requirements to evaluate and analyse current practices, develop new criteria and procedure for performing current practices, and provision of some leadership and guidance to others in the application and planning of the skills.

Successful completion of the licensing units within the qualification must align with applicable licensing and regulatory requirements.
