### TLIC2025: Operate Four Wheel Drive Vehicle

#### Course Objective

This unit involves the skills and knowledge required to operate a four wheel drive vehicle safely in a range of conditions in accordance with the relevant state/territory legislated roads and traffic licence requirements.

It includes driving a four-wheel drive vehicle on roads, traversing gradients, ascending and descending steep gradients, and operating in rugged terrain. It also includes using vehicle equipment/controls and completing pre- and post-operational checks.

Recognised driver's licence or provisional car licence must be held prior to commencing this unit of competency.

Driving involves the application of four-wheel drive vehicle operating principles and procedures to maintain the safety and operation of a four-wheel drive vehicle across a variety of on-road and off-road contexts.

Driving is performed with limited supervision, and with duty of care responsibility for self and others in achieving the prescribed outcomes.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

#### Course Outcome

On successful completion of this course students will be issued with a statement of attainment.

#### Course Content

- operate 4WD on roads
- operate vehicle on, or across gradient
- operate vehicle ascending/descending a steep gradient

#### Course Prerequisites

- ability to use and understand English
- current DriversLicence

126 Churchill Road North  
Dry Creek SA 5094
