

DANGEROUS GOODS (for Loaders)

TLID3027: Prepare for Transport of Dangerous Goods

Course Objective

This unit involves the skills and knowledge required to prepare for the transport of dangerous goods as part of work activities undertaken within the transport and logistics industry.

This is undertaken in accordance with relevant state/territory regulations for transporting dangerous goods, including the current Australian Dangerous Goods (ADG) Code.

It includes checking dangerous goods load, assessing vehicle suitability to transport intended load, checking emergency procedures and equipment, evaluating documented route plans, and completing required assessment process.

Work is performed under general supervision.

Course Outcome

On successful completion of this course students will be issued with a statement of attainment.

Course Content

- check dangerous goods load
- assess vehicle suitability
- check emergency procedures and equipment
- evaluate documented route plan

Course Prerequisites

- ability to use and understand English

17 White Road Gepps
Cross SA 5094

T: (08) 8360 2379
