

TLIE3028 – Complete a Work Diary in the Road Transport Industry

Course Overview

This unit involves the skills and knowledge required to compile information required for a national driver work diary used in the road transport industry and to complete the work diary in accordance with national heavy vehicle regulator (NHVR) and heavy vehicle legislative requirements.

It includes identifying legislative and regulatory requirements relating to work diary, compiling information and completing a work diary.

A work diary is completed as an integral part of day-to-day work operations in the road transport industry.

Course Structure and Outcome

- identify legislative and regulatory requirements relating to work diary
- compile information required for the diary
- complete a work diary

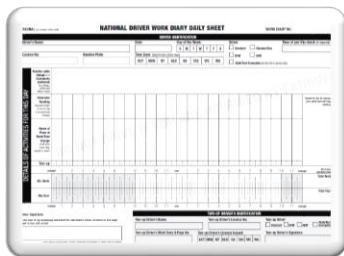

On successful completion of this course students will be issued with a statement of attainment.

Course Prerequisites

- ability to use and understand English
- online course require access to a computer
