

CHAIN OF RESPONSIBILITY

TLIF0009: Ensure the safety of transport activities

Course Objective

This unit involves the skills and knowledge required to ensure the safety of transport activities.

It includes identifying features and applying chain of responsibility obligation in the Heavy Vehicle National Law (HVNL) or applicable state/territory law and regulations. It also includes identifying and reporting chain of responsibility risks.

Transport activities as defined by the HVNL or applicable state/territory law and regulations.

Work is performed under close direction, generally within a team environment.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Course Outcome

On successful completion of this course students will be issued with a statement of attainment.
